DO YOUR EMPLOYERS FURNISH YOU WITH THE LATEST EDITION OF THE CITY DIRECTORY?

You need it at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities 'too sharp' for bad-check 'operators.'

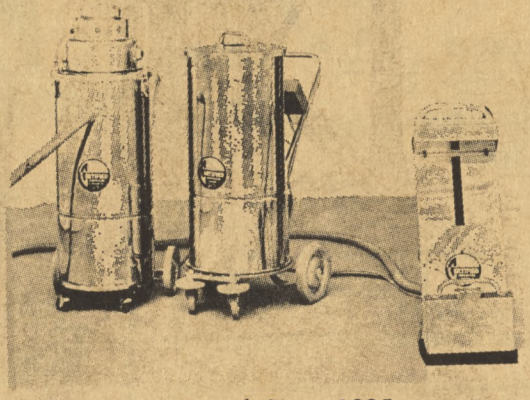
Carpet Cleaning

(JET AND EXTRACTION) CLEANING
LATEST UP TO DATE EQUIPMENT

ALSO FINE UPHOLSTERY CLEANING - "for people who care"



Pioneered Since 1925

THE STEAM CLEAN SYSTEM that really extracts embedded grit and soil from carpet pile and carpet backing.

REMOVES STATIC ELECTRICITY by means of an *exclusive* high frequency tamping bar—which holds the soil deep in the pile of the carpet and the soil is brought into suspension. Then, instantly, the moisture and soil are removed by a powerful vacuum.

GENTLY RESTORES PILE—uses no brushes or scrubbing action to distort and wear pile

ECONOMICAL—your carpet stays cleaner longer, leaving no residue in the carpet fibers to collect dirt.
